

# Florida Office of Insurance Regulation

As required by Section 627.9407(7)(c), F.S., the following are representative new business rates for Home Health Care Only policies in the state of Florida. The annual premiums shown are the result of the weighted average of the rates from companies that are currently selling similar coverage and that represent at least 80% of the market share in Florida, as determined by calendar year 2007 Earned Premium.

Non-Facility Only Policy Annual Premium Rates for \$100/day Benefit 0 Day Elimination Period Hillsborough County Tax Qualified Offering Restoration of Benefits*
