GENERAL INFORMATION AND INSTRUCTIONS

1. This report is very important and is a tool the Office of Insurance Regulation (the Office) uses to gauge the financial viability of your company. The financial information submitted is compiled into a financial spreadsheet which shows data accumulated from these reports. Financial viability ratios are computed from this information.
2. Financial statements must be prepared in accordance with generally accepted accounting principles and as prescribed in the Florida Statutes.
3. All terms used in this report will have their general meaning except where specific statutory language applies under the applicable provisions of the Florida Insurance Code.
4. The Balance Sheet, Statement of Operations and the Statement of Cash flows must be prepared based on year-end amounts.
5. This form is submitted electronically. Adobe Reader version 7.0.5 or higher is required. If you do not have that version, please upgrade prior to downloading any forms, visit <http://www.adobe.com>.
6. When you downloaded this report, you were assigned a session key. This session key has an expiration date that was also assigned prior to downloading this form. **Please make sure you save or submit prior to this expiration date or all work up until the last save will be lost.**

This session will expire on:

Eastern Time

7. To assist you in completing this form click both "Highlight Fields" and "Highlight Required Fields" in the upper right hand corner of the report page. This will highlight the fields where you may enter data.
8. The report form will calculate all totals and pre-populate fields based upon your responses. Data cannot be entered into the total and pre-populated fields.
9. Please enter all numeric fields with numbers only (no commas, dashes, dollar signs, etc.) Unanswered questions and blank lines on schedules will not be accepted. If no answers or entries are to be made, enter "0" on all lines asking for a numeric response and "None" or "N/A" on all lines requesting a non-numeric response. Additionally, certain Schedules and Exhibits provide the option "Check if N/A" if the information requested is not applicable to your company.
10. Line descriptions may not be altered or added. When in doubt where to place an item, show the item in an appropriate "Other" line and include a supplemental schedule describing the items listed in the "Other" category. Any item which is of an extraordinary nature should also be entered on an appropriate "Other" line.

12. When you either save or submit the form, all data is checked for completeness and you will be notified if errors have occurred. When submitting data, you will be asked to correct these validation errors. Once the data is successfully submitted, you will no longer be able to enter data because this form will become read-only. **To update this information after you have already submitted the data, you will have to make an amendment to this form which is done through REFS.**
13. If additional explanations, supporting statements or schedules are added or are necessary, the additions should be properly cross-referenced to the item being answered. This additional information should be in electronic format (i.e. Word, Excel, PDF, etc) or, if in paper format, scanned in as a PDF, and should be uploaded and attached to the filing as a Miscellaneous Document through REFS.
