## **NONADMITTED INSURANCE MULTI-STATE AGREEMENT (NIMA)**

**WHEREAS**, the Nonadmitted and Reinsurance Reform Act of 2010 (“NRRA”), which was incorporated into the Dodd-Frank Wall Street Reform and Consumer Protection Act, provides that only an insured’s “Home State” may require a premium tax payment for Nonadmitted Insurance; and

**WHEREAS**, the NRRA authorizes States to enter into a compact or otherwise establish procedures to allocate among the States the Nonadmitted Insurance premium taxes;

**NOW, THEREFORE**, in consideration of the foregoing, the Participating States that are signatories hereto, do freely and voluntarily enter into this Agreement under the following terms and conditions:

### **PART I**

#### **Purpose**

The purposes of this Agreement, through means of joint and cooperative action among the Participating States, are to:

1. Facilitate the payment and allocation of premium taxes on Nonadmitted Insurance for Multi-State Risks among the Participating States in accordance with the premium tax allocation method and formula contained in the Annexes attached to this Agreement and based on the rates established by each Participating State.
2. Require nationwide uniform requirements, forms and procedures that facilitate the reporting, payment, collection and allocation of premium taxes for Nonadmitted Insurance for Multi-State Risks as contemplated by the NRRA.
3. Coordinate reporting of premium taxes and transaction data on Multi-State Risks among Participating States.
4. Establish a Clearinghouse to facilitate the receipt and distribution of premium taxes and transaction data related to Nonadmitted Insurance of Multi-State Risks.

### **PART II**

#### **Definitions**

5. For purposes of this Agreement, the following definitions shall apply:
  - a. **“Agreement”** means this Nonadmitted Insurance Multi-State Agreement (NIMA), entered into by the Participating States pursuant to Section 521(b)(1) of the NRRA.

7. The following are the Annexes that are attached to, and that form an integral part of, this Agreement: **Annex A** - Nonadmitted Insurance Premium Tax Allocation Schedule; **Annex B** – Allocation Formula; and **Exhibit 1** – Information Required to be Submitted by the Broker or Insured via the Clearinghouse Web Portal.

### **PART III**

#### **Implementation**

8. The Participating State, as signatory herein, represents that it has the legal authority necessary to enter into this Agreement for the purposes stated in the Agreement, including the allocation among the other Participating States of applicable Nonadmitted Insurance premium taxes and the use of the designated Clearinghouse for the facilitation of the payment and distribution of such premium taxes.

9. Pursuant to the terms of this Agreement, each Participating State agrees to:

a. implement nationwide uniform requirements, forms and procedures that facilitate the reporting, payment, collection and allocation of premium taxes for Nonadmitted Insurance for Multi-State Risks;

b. allocate among the applicable Participating States the Nonadmitted Insurance premium taxes required by an insured's Home State as described herein;

c. work collaboratively and in a timely manner towards the imposition of NRRA's Nonadmitted Insurance premium tax reforms by July 21, 2011; and

d. establish and utilize a Clearinghouse to facilitate the receipt, allocation, and distribution of the payment of Nonadmitted Insurance premium taxes to the Participating States.

### **PART IV**

#### **Collection and Allocation Procedures**

10. The Clearinghouse will operate pursuant to a plan of operation, to be agreed upon by two-thirds of the Participating States, to ensure that the Clearinghouse and its computer software system are capable of meeting the requirements of this Agreement.

11. Each Participating State agrees to use the Clearinghouse for all Multi-State Risks for which that state is the Home State. Except as otherwise provided, each Participating State agrees to require Surplus Lines Licensees and insureds who independently procure insurance to utilize

the Clearinghouse for the reporting and payment of Nonadmitted Insurance premium taxes for all Multi-State Risks for which that state is the Home State. This Agreement shall not require a State to treat any Property and Casualty Insurance as Nonadmitted Insurance where the laws of the State do not provide such treatment. Further, each Participating State may, at its discretion, agree to use the Clearinghouse for any Single-State Risks or non-Property and Casualty Insurance risks for which that state is the Home State.

12. Each Participating State agrees to contract with the Clearinghouse to provide the services that are the subject of this Agreement. There shall be no material variations in the terms of each Participating State's contract with the Clearinghouse and each such contract shall include, but not be limited to, terms prohibiting the Clearinghouse from lobbying, accepting gifts or donations, political activity of any kind, or conflicts of interest, and shall include terms requiring confidentiality of information received by or provided to the Clearinghouse.

13. Each Participating State agrees to require the payment of taxes, fees and assessments when the Participating State is the Home State as follows: (a) as determined by the Home State on the portion of the premium allocated to the Home State based on Annex A and Annex B; (b) specified by each Participating State on the portion of the premium allocated to that State based on Annex A and Annex B; and (c) determined by the Home State on any portion of the premium not allocated under subsections (a) and (b) of this section. Each Participating State agrees to establish one tax rate, encompassing any applicable taxes, fees and assessments, that applies to Nonadmitted Insurance; provided, however, that nothing shall require a Participating State to impose a tax on any kind of insurance for which the State presently does not have an obligation to tax or has allowed an exemption; and further provided that, where a Home State utilizes a surplus lines stamping office, the stamping office may, in accordance with the laws of that State, impose stamping fees in addition to the tax.

14. Each Participating State shall give notice to the Clearinghouse of any changes to its statewide Nonadmitted Insurance premium tax rate and any statewide assessments at least 90 days prior to the effective date of such changes. The Clearinghouse will send notice of any changes to all of the Participating States via electronic mail to the designated contact of each Participating State.

15. Each Participating State agrees to authorize the Clearinghouse, when the Participating State is the Home State, to collect a reasonable fee, to be established by contract between the Participating State and the Clearinghouse, payable by the insured directly or through a Surplus Lines Licensee on each transaction processed through the Clearinghouse to cover the cost of the operations and activities of the Clearinghouse. If the Home State has a stamping office, this fee shall be in addition to the service fee that is received by the stamping office.

16. No Participating State, other than the Home State, may require a Surplus Lines Licensee to submit data, reports or insurance documentation to a stamping office of that State. A Home State with a stamping office may require the initial submission of transaction data, premium taxes and fees with the stamping office of that State provided the State agrees by contract with the Clearinghouse to forward relevant transaction data, premium taxes and fees to the Clearinghouse for distribution to other Participating States.

17. Except as otherwise provided, each Participating State agrees to require, by statute or rule, for those policies of Nonadmitted Insurance where that State is the Home State and for which the payment of Nonadmitted Insurance premium taxes is due, that the Surplus Lines Licensee or insured who independently procures insurance shall forward such payments and related information based on Annex A and Annex B to the Clearinghouse for deposit in the Clearinghouse account. Each Participating State agrees to require that the payment of Nonadmitted Insurance premium taxes will be accompanied by transaction data consistent with Exhibit 1. After the Clearinghouse has collected and reconciled the payments, the appropriate amount will be deposited into each Participating State's depository account at the banking institution selected by the Participating State. With respect to the depository accounts of the Participating States, the Clearinghouse shall only have the authority to transfer premium taxes collected and on deposit in the Clearinghouse account into the depository account of the Participating States.

18. For those policies of Nonadmitted Insurance where transaction data consistent with Exhibit 1 is submitted prior to the payment of Nonadmitted Insurance premium taxes, each Participating State agrees that the accounting of taxes due will be tracked by the Clearinghouse, and the payment thereof will be handled by the Clearinghouse. Each Participating State agrees to require the Surplus Lines Licensee or insured who independently procures insurance, as applicable, to submit information based on Annex A and Annex B. The Clearinghouse will assess the allocated premium based upon each Participating State's statewide Nonadmitted Insurance tax rate and statewide assessments for each Participating State with exposure. At the end of the reporting period, the Clearinghouse will allocate the amount collected on behalf of the Home State to all other Participating States and net the amounts owed to or from each of the States. The netting of taxes will be based on the actual amount collected.

19. The Clearinghouse will report to the Participating States, Surplus Lines Licensees and insureds who independently procure insurance, within 15 days of the quarterly premium tax filing and payment dates set forth in section 20 of this Part, all premium taxes owed to each of the Participating States for the preceding quarter, the dates upon which payment of such premium taxes are due, and the method through which they were paid to the Clearinghouse.

20. Each Participating State agrees that, when it is the Home State, it shall require tax filings and payments quarterly utilizing the following dates only: February 15 for the quarter ending the preceding December 31, May 15 for the quarter ending the preceding March 31, August 15 for the quarter ending the preceding June 30, and November 15 for the quarter ending the preceding September 30.

21. The Home State agrees to enforce, if necessary and to the extent allowed by the laws of the Home State, any of the following: unpaid tax; interest due; and applicable penalties. The Home State will follow the calculation of these amounts and the methods of collection governed by the laws of the Home State and the plan of operation adopted pursuant to this Agreement.

## **PART V**

## **Dispute Resolution**

22. Each Participating State agrees to exercise best efforts to reach consensus in respect to disputed issues arising on matters governed by this Agreement.

23. If a dispute arises out of or relates to this Agreement, or the breach thereof, and if the dispute cannot be settled through negotiation, the affected Participating States agree first to try in good faith to settle the dispute by mediation administered by the American Arbitration Association under its Commercial Mediation Procedures before resorting to arbitration, litigation, or some other dispute resolution procedure. A dispute involving one or more Participating States or the Clearinghouse is a dispute arising out of or relating to this Agreement for purposes of this Part.

## **PART VI**

### **Participating States, Effective Date and Amendment**

24. Any State is eligible to become a Participating State. This Agreement shall become effective and binding as of the first day the Agreement is executed by the duly authorized representatives of at least two (2) Participating States.

25. Amendments may be proposed by any of the Participating States under this Agreement. The amendment shall become effective after two-thirds of the Participating States agree in writing to accept the amendment.

## **PART VII**

### **Withdrawal, Default and Dissolution**

26. Withdrawal

a. Once effective, this Agreement shall continue in force and remain binding upon each and every Participating State, provided that a Participating State may withdraw from the Agreement ("Withdrawing State") by providing 60 days' written notice to the Clearinghouse, which shall provide advance written notice to all Participating States and facilitate public notice of the State's withdrawal from the Agreement.

b. The Withdrawing State is responsible for all obligations, duties and liabilities incurred through the effective date of withdrawal, including any obligations, the performance of which extend beyond the effective date of withdrawal.

27. Default

a. If any Participating State has at any time defaulted ("Defaulting State") in the performance of any of its obligations or responsibilities under this Agreement, the Defaulting State shall be suspended from the effective date of default. The grounds for default include, but are not limited to, failure of a Participating State to perform its obligations or responsibilities as required by this Agreement.

b. Reinstatement following termination of any Participating State requires renewed execution of the Agreement.

28. Dissolution of Agreement

a. The Agreement dissolves effective upon the date of the withdrawal or default of the Participating State that reduces membership in the Agreement to one Participating State.

b. Upon the dissolution of this Agreement, the Agreement becomes null and void and shall be of no further force or effect.

## **PART VIII**

### **Severability and Construction**

29. The provisions of this Agreement shall be severable and if any phrase, clause, sentence or provision is deemed unenforceable, the remaining provisions of this Agreement shall be enforceable.

30. The provisions of this Agreement shall be liberally construed to effectuate its purposes.

31. Throughout this Agreement, the use of the singular shall include the plural and vice-versa. The headings and captions of parts, sections, subsections, paragraphs and sub-paragraphs used in this Agreement are for convenience only and shall be ignored in construing the substantive provisions of this Agreement.

## **PART IX**

### **Binding Effect of Agreement and Other Laws**

32. The terms of this Agreement, and the procedures to be established as amendments to this Agreement, are binding upon the Participating States, except as otherwise may be provided herein.

33. Each Participating State agrees to abide by the applicable laws, regulations, and statutes concerning confidentiality and nondisclosure of information to the extent required or allowed by law. This Agreement neither abrogates nor supersedes applicable Participating State laws respecting confidentiality, trade secrets and proprietary information.

## **PART X**

### **Miscellaneous**

34. This Agreement may be executed in any number of counterparts, each of which will constitute an original and all of which taken together will constitute one and the same instrument. Counterparts may be executed either by hard copy or electronically, or by facsimile, and the Participating States shall accept any signatures received by electronic mail or facsimile as original signatures of the Participating State. The Participating State will promptly forward to the other Participating States and the Clearinghouse a signed copy of this Agreement.

35. By entering into this Agreement, a Participating State is not deemed to surrender or abandon any of the powers, rights, privileges or authorities vested in it under its State constitution, statutes, acts, or otherwise, or to impair any of such powers, rights, privileges or authorities.

36. This Agreement, including all Annexes and the Exhibit attached, constitutes the entire agreement between the Participating States with respect to the subject matter of this Agreement and supersedes all prior agreements and understandings between the Participating States with respect to that subject matter.

37. After execution of this Agreement, each Participating State will do, or cause to be done, all acts as the other Participating States may reasonably require from time to time for the purpose of giving effect to this Agreement and each Participating State will use reasonable efforts, and take all steps as may be reasonably within that Participating State's power, to implement to its full extent the provisions of this Agreement.

DATED and SIGNED this the 13th day of June, 2011 in Jackson, Mississippi for the State of Mississippi.

**ANNEX A**  
**Nonadmitted Insurance Premium Tax Allocation Schedule**

This Annex to the Agreement sets forth the provisions governing the method of tax allocation for Multi-State Risks, as specified in Part III. If the allocation schedule does not identify a classification appropriate to the property or risk being insured, then the Surplus Lines Licensee, or an insured who independently procures insurance, consistently shall use an alternative method of equitable allocation across similar types of insurance policies and contracts, and shall maintain for at least five years, documented evidence of the bases and other criteria used by the Surplus Lines Licensee or insured who independently procures insurance in order to substantiate the method.

**ANNEX B**  
**Allocation Formula**

For the purposes of this Annex and subject to Parts III, IV, and VII, the Nonadmitted Insurance premium tax revenue for a calendar tax year or for a sub-period of a calendar tax year, as the case may be, is the amount determined by the formula:

$\text{Tax Allocation} = (\text{Net tax due to each State/net tax due to all States}) \times \text{Amount collected}$

$\text{Home State Net Taxes} = (\text{Taxes collected for the Home State} + \text{Taxes due from other Participating States}) - \text{Taxes owed to other Participating States}$

$\text{Total Premium Tax to be Collected on Each Multi-State Policy} = (\text{Home State's tax rate} \times \text{Portion of premium allocated to Home State}) + (\text{Home State's tax rate} \times \text{Premium allocated to Non-Participating State if insurer is nonadmitted in that State}) + (\text{Participating States' tax rate} \times \text{Premium allocated to each Participating State if insurer is nonadmitted in that state})$
