   (1) General liability

   (2) Medical malpractice or professional liability. The HMO must secure this coverage. The fact that the medical provider has this coverage does not release the HMO from the obligation to secure it. A binder for the policies along with a specimen copy of each policy can be submitted initially. Prior to licensure, executed copies of the policies must be submitted.

B. Furnish a photocopy of an executed fidelity bond in the minimum amount of $100,000, issued by an authorized insurance carrier in this State and covering all employees handling funds.

C. Describe how the HMO limits or proposes to limit its financial risk. If the HMO secures catastrophic or reinsurance coverage, it is required to submit executed copies of the applicable policy with the Office of Insurance Regulation. Any reinsurance agreement must comply with Section 624.610, Florida Statutes and Rule 69O-144, Florida Administrative Code.

NOTE: Describe any risk sharing arrangements with providers or any other parties. Reference by application page number, the application sections of any provider contracts, which demonstrate the sharing of risk between the HMO and providers.
Section III-2    Financial Statements

A. Provide a copy of the most recent audited certified public accountant’s report prepared on the basis of statutory accounting principles. If the applicant is a development stage company that has not begun operations, an audited balance sheet should be provided. The financial statements should reflect sufficient surplus to meet the requirements of s. 641.225, Florida Statutes.

B. Provide all quarterly financial statements covering the current year-to-date reporting period signed by the company’s officers under notary seal.

Section III-3    Plan of Operations

Provide a statement generally describing present and proposed operations. State whether the HMO will be organized for profit or not for profit and whether it will be a Staff Model, IPA Model, or Combination Model HMO. Also, identify the HMO’s fiscal year end date. The plan of operations should be for the greater of three years or until the health maintenance organization has been projected to be profitable for twelve consecutive months.

If the HMO intends to market to small groups as defined by the Employee Health Care Access Act, s. 627.6699, Florida Statutes, please complete and submit the attached small employer carrier’s application.

If the plan of operation indicates that the HMO will receive Medicaid funds, list all contracts and agreements and any information relative to any payment or agreement to pay, directly or indirectly, a consultant fee, a broker fee, a commission, or other fee or charge related in any way to the application for a certificate of authority or the issuance of a certificate authority. Such list shall provide the following, including, but not limited to, the name of the person or entity paying the fee; the name of the person or entity receiving the fee; the date of payment; and a brief description of the work performed.

Section III-3(a)    Marketing and Growth

Submit a description of the proposed method of marketing, including the target groups, types of coverage to be offered, and advertising media to be used. Include a statement describing with reasonable certainty the geographic area or areas to be served by the HMO. Identify competing HMOs operating in the same geographic service area, as well as the market penetration of each. Also, identify the major differences between the applicant HMO and its competitors.
Section III-3(b)  Pro Forma Statements

Submit a pro forma balance sheet and income statement on a statutory basis at monthly intervals (with an annual total) for a minimum three-year period (greater of three years or until the health maintenance organization has been projected to be profitable for twelve consecutive months.) All assumptions used in deriving the pro forma statements must be provided. A Statement of Changes in Financial Position and a Statement of Cash Flows should be provided for the three-year period (or break-even), as well.

Section III-3(c)  Statement of Initial Cash

Submit a statement of the proposed initial cash and cash reserves summary, including loan receipts, loan repayments, stock sales, etc. Also, describe the sources and terms of the funding. In the case of guaranteeing organizations, audited financial statements should be submitted for these entities.

Section III-3(d)  History

Provide a brief history of the company since its incorporation. Include any predecessor corporations or organizations, mergers, reorganizations, or changes of ownership. Specify the parties and dates involved.

Section III-3(e)  Insolvency Protection

Provide the method in which the applicant will comply with the insolvency protection requirements of Section 641.285, Florida Statutes, including all relevant documentation necessary to meet the requirements. Each HMO must comply with the insolvency protection requirements of Florida law. This is accomplished through a deposit with the Office of Insurance Regulation in the amount of $300,000.00.

Section III-3(f)  Contingency Plans

Provide any contingency plans for additional capital should the HMO fail to maintain minimum surplus requirements as mandated by Section 641.225, Florida Statutes.
Section III-3(g) Feasibility Study

Submit a comprehensive feasibility study, performed by a certified actuary in conjunction with a certified public accountant, which includes a rate and financial analysis, as well as enrollment projections and assumptions and competitor information. The study shall be for the greater of three years or until the HMO has been projected to be profitable for twelve consecutive months. The study shall show that the HMO will maintain, at all times, the minimum surplus required by Section 641.225, Florida Statutes, and will not, at the end of any month of the projection period, have less than the minimum surplus as required by Section 641.225, Florida Statutes. The feasibility study shall contain an opinion by the CPA and actuary performing the study which shall opine as to the reasonableness of the assumptions used in the feasibility study and that the assumptions are reasonably applied.

The financial portion of the study shall be prepared in accordance with standards promulgated by the American Institute of Certified Public Accountants in its "Guide for Prospective Financial Statements" and opined accordingly. The actuarial portion of the study shall be prepared in accordance with standards promulgated by the American Academy of Actuaries and opined accordingly. The feasibility study shall contain nothing less than an "examination opinion."

Section III-4 Contracts

A. A copy of each type of contract made, or to be made, between the applicant and any providers (i.e., hospitals, physicians, physician groups) regarding the provision of health care services to enrollees. All such contracts shall comply with Section 641.315, Florida Statutes.

B. A copy of the form of any contract made or to be made between the applicant and senior management employment, as well as any person, corporation, partnership, or other entity for the performance on the applicant's behalf of any function including, but not limited to, marketing, administration, enrollment, investment management, and subcontracting for the provision of health care services to enrollees. All such contracts shall comply with Section 641.234, Florida Statutes and 641.315, F.S. if applicable.

Section III-5 Grievance Procedure

A statement describing the HMO's grievance procedure that will facilitate the resolution of subscriber grievances. The grievance procedure must include both formal and informal steps for resolving grievances and must be in compliance with all requirements set forth in Rule 4-191.078 (1 - 12), F.A.C., s.641.21(1)(e), & s. 641.22(9), F.S.
Section III-6  Bankruptcy Proceedings

Submit evidence of compliance with Section 641.215, Florida Statutes. This documentation should contain:

A. An acknowledgment that a delinquency proceeding pursuant to Part I of Chapter 631 or supervision by the Office pursuant to s. 624.80-624.87, Florida Statutes, constitutes the sole and exclusive method for the liquidation, rehabilitation, reorganization, or conservation of a health maintenance organization.

B. A waiver of any right to file or be subject to a bankruptcy proceeding; and

C. An acknowledgment that the commencement of a bankruptcy proceeding either by or against a health maintenance organization shall, by operation of law, terminate the health maintenance organization’s certificate of authority and vest in the Office for the use and benefit of the subscribers of the health maintenance organization the title to any deposits of the insurer held by the Office.
APPLICATION FOR CERTIFICATE OF AUTHORITY
HEALTH MAINTENANCE ORGANIZATION

SECTION IV - MANAGEMENT

NAMES REQUESTED IN THIS SECTION SHOULD INCLUDE COMPLETE FIRST, MIDDLE AND LAST NAMES.

Section IV-1    List of All Officers, Directors and Stockholders

A. List the names, addresses and official positions of each officer, director and person having direct or indirect control of the organization, including but not limited to contracted management company personnel (form enclosed).

B. List the names of each stockholder owning five percent or more of voting securities of the applicant or any person having the right to acquire in excess of ten percent of the voting securities of the applicant (issued and outstanding warrants/options, etc.). Such persons shall fully disclose to the Office and to the directors the extent and nature of any contracts or arrangements between them and the HMO, including any possible conflicts of interest.

C. If the applicant is a subsidiary of a parent or holding company, provide an organizational chart showing the relationship of all related companies.

Section IV-2    Biographical Affidavits for Officers, Directors and Stockholders

Provide a Biographical Affidavit (Form OIR-C1-1423) for each officer, director, and shareholder listed in Section IV-1 except for those companies in the organizational structure between the immediate parent and the ultimate parent. All questions must be answered.

The requirements for the affiant’s social security number as part of the Biographical Affidavit is mandatory. However, pursuant to sections 119.071(5), Florida Statutes, social security numbers collected by an agency are confidential and exempt from section 119.071(1), Florida Statutes, and section 24(a), Art. I of the State Constitution and must be segregated on a separate page. Therefore, instead of including the SSN on page 6 of the Biographical affidavit, please include the affiant’s name and social security on a separate page and attach it to the Biographical Affidavit. Also please stamp CONFIDENTIAL at the top and bottom of the separate page.

Section 119.071(5), Florida Statutes, gives authority for an agency to collect social security numbers if imperative for the performance of that agency’s duties and responsibilities as prescribed by law. Limited collection of social security numbers is imperative for the Office of Insurance Regulation. The duties of the Office of Insurance Regulation in background investigation are extensive in order to insure that the owners, management, officers, and directors of any insurer are competent and trustworthy, possess financial standing and business experience, and have not been found guilty of, or not pleaded guilty or nolo contendere to, any felony or crime punishable by imprisonment of one year.
**Section IV-3  Authority for Release of Information**

Provide an Authority for Release of Information form (page 8 of Form OIR-C1-1423) for each person listed in Section IV-1 except for those companies in the organizational structure between the immediate parent and the ultimate parent. Each form must contain an original signature and an original notary seal.

**Section IV-4  Investigative Background Reports**

An Investigative Background Report must be provided for each person listed in Section IV-1 above except for those companies in the organizational structure between the immediate parent and the ultimate parent. Background reports must be submitted by the selected background investigator vendor directly to the Office prior to or contemporaneously with the submission of the application filing. Please refer to OIR-C1-905 for instructions.

**Section IV-5  Fingerprint Cards**

Fingerprint cards must be completed for each person listed in Section IV-1. The cards will be furnished by the Office upon request. **No cards other than those furnished by the Office will be accepted.** The cards must be completed at a law enforcement agency and returned to this Office for processing. Please refer to form OIR-C1-938 for instructions.

Due to the length of time required by law enforcement agencies to process fingerprint cards, it is suggested that the cards be ordered immediately so they may be submitted before or with the application.

Please place the completed fingerprint cards in this section.

Note: Florida residents have the option of having their fingerprints digitally scanned rather than providing paper fingerprint cards and fees as noted above. Please refer to form OIR-C1-938 for instructions.
SECTION V - FORMS AND RATES

Note: submit three (3) original copies of each referenced form and rate filing.

Section V-1   Forms

A. Submit three copies of each policy, master contract, certificate of coverage, member handbook, application, or any other form the applicant proposes to offer the subscriber. This includes any form showing the benefits to which the subscriber is entitled and any form used in the enrollment process. Every form which the HMO will use in connection with its subscriber contracts must be submitted and must be identified by a unique form number located on the lower left corner of the form.

B. Each subscriber contract must state the procedures for offering comprehensive health care services and offering and terminating contracts to subscribers which will not unfairly discriminate on the basis of age, sex, race, handicap, health, or economic status.

Section V-2   Rates

A. Submit three copies of the complete schedule of proposed premium rates for each type of contract. The submission for each separate contract should contain an opinion from a qualified independent actuary. The opinion shall:

(1) Certify that the rates are neither inadequate nor excessive nor unfairly discriminatory;
(2) Certify that the rates are appropriate for the classes or risks for which they have been computed;
(3) Present an adequate description of the rating methodology, following consistent and equitable actuarial principles.

B. Furnish a statement from a qualified independent actuary that the HMO is actuarially sound.

SMALL EMPLOYER CARRIER'S APPLICATION TO BECOME A RISK ASSUMING CARRIER OR A REINSURING CARRIER, AS REQUIRED BY SECTION 627.6699(11), FLORIDA STATUTES

CARRIER NAME

ADDRESS (CITYSTZIP)

FEIN:  NAIC GROUP CODE:  NAIC COMPANY CODE:  

As required under the provisions of Section 627.6699(11), Florida Statutes, we hereby apply to elect the following status. (Select one block only.)

A. Reinsuring Carrier

A reinsuring carrier, as the term is used in Section 627.6699, Florida Statutes, is a direct writer of small employer health benefit plans and participates in the small employer health reinsurance program created by Section 627.6699 (11). If reinsuring carrier status is elected, nothing further is required except completion of the signature line on page 2 and submission to the Office.

B. Risk Assuming Carrier

If risk-assuming carrier status is elected, attach information showing that the carrier is financially capable of assuming that status pursuant to the criteria in items 1 through 4, below; then complete the signature line at the bottom of the page and send to the Office, Bureau of Life and Health Forms and Rates.

1. The carrier’s financial ability to support the assumption of risk of small employer groups. The carrier shall demonstrate that its surplus is adequate to support the fair marketing required by the act and that the planned premium volume after becoming a risk-assuming carrier does not endanger the financial condition of the carrier or endanger the interest of the carrier’s policyholder.

2. The carrier’s history of rating and underwriting small employers groups. The carrier shall demonstrate that it has successfully engaged in the business of transacting rating and underwriting of small employer groups or is the wholly owned subsidiary of such a company and that its condition and methods of operation in connection with small employer group contracts will not be such as to render its operation hazardous to the public or its policyholders in this state.

3. The carrier’s commitment to market fairly to all small employers in the state or its service area, as applicable. The carrier shall include a statement that the applicant has read and will comply with Section 627.6699 (13), Florida Statutes, Standards to Assure Fair Marketing. The Office shall consider the character, responsibility and general fitness of the officers and directors and the past market conduct of the carrier or its representatives.

4. The carrier’s ability to assume and manage the risk of enrolling without the protection of the reinsurance program provided by Section 627.6699 (11), Florida Statutes. The Office shall consider the history and financial condition of the company. It should be demonstrated that the financial condition of the carrier is adequate to assume the risk of marketing or their employees’ health status to comply with the purpose and intent of the law as stated in Section 627.6699 (2) without the benefit of the special reinsurance program created by Section 627.6699 (11) for reinsuring carriers. If part of the response is that your existing reinsurance program will be depended upon to cover such risks that you may be required to assume, include a copy of the reinsurance treaty with a summary of how it applies to these risks. The requirement of a copy of the reinsurance treaty does not apply to carriers that have a policyholder surplus in excess of $100,000,000.

C. Not Applicable: The carrier will not issue health benefit plans or products to Florida small employer groups as defined in Section 627.6699, Florida Statutes.

CONFIDENTIAL

Pursuant to sections 119.071(5), Florida Statutes, social security numbers collected by an agency are confidential and exempt from section 119.07, Florida Statutes, and section 24(a), Art. I of the State Constitution. The requirement must be relevant to the purpose for which collected and must be clearly documented. The social security numbers must be segregated on a separate page from the rest of the record.

Applicant’s Name: ___________________________________________________
Applicant’s Social Security Number: ________________________________

The requirement for the applicant’s social security is mandatory.

Section 119.071(5), Florida Statutes, gives authority for an agency to collect social security numbers if imperative for the performance of that agency’s duties and responsibilities as prescribed by law. Limited collection of social security numbers is imperative for the Office of Insurance Regulation. The duties of the Office of Insurance Regulation in background investigation are extensive in order to insure that the owners, management, officers, and directors of any insurer are competent and trustworthy, possess financial standing and business experience, and have not been found guilty of, or not pleaded guilty or nolo contendere to, any felony or crime punishable by imprisonment of one year. In establishing these qualifications and the Office of Insurance Regulation's responsibility to ensure that individuals meet these qualifications, the legislature recognized that owners, officers, and directors of an insurance company are in a position to cause great harm to public should they be untrustworthy or have a criminal background. These individuals control vast amount of funds that belong to policyholders. To meet the legislative intent that these people are qualified to be trusted, having the identifying social security number is essential for the Office of Insurance Regulation to adequately perform the background investigative duty. There are many individuals with the same name, without this identifying number it would be difficult if not impossible to be reasonably sure that the correct individuals are identified and verify they meet the statutorily required conditions.
