

Tropical Storm Fay

Includes Homeowners, Dwelling, Mobile Homeowners, Commercial Residential, Residential Private Flood and Federal Flood.
These data are as of October 3, 2008 and are self-reported by submitting entities.
These data have not been independently audited or validated.

October 20, 2008

Data Call for TS Fay Loss Data

The Florida Office of Insurance Regulation (the Office) is conducting a data call* for loss data resulting from Tropical Storm Fay.

This communication is being sent to the Florida Company Disaster Coordinator of Record and the most current NAIC Annual Statement Contact on record with the Office.

The targeted companies meet one or more of the following conditions:

1. Has recently reported Florida residential policies in force to the Office's Quarterly Supplement Reporting System (QUASR),
2. Is on record at the Florida Surplus Lines Office as writing the type of policies pertinent to this data collection,
3. Has reported Federal Flood Insurance Premium and Losses on your 2007 Annual Statement,
4. Has filed forms and/or rates with the Office indicating that Private Flood coverages are offered and/or issued in this state.

The data indicated below will be collected on the following schedule:

Cumulative Loss Data as of 5 PM, ET	To be reported no later than:
Friday, September 05, 2008	Friday, September 12, 2008
Friday, September 19, 2008	Friday, September 26, 2008
Friday, October 03, 2008	Friday, October 10, 2008
Friday, October 17, 2008	Friday, October 24, 2008

The data are to be submitted on an individual company basis. Group filings will not be accepted.

The requested data elements to be reported are as follows:

- **Number of Claims Received** is to include only those Florida claims received on a direct basis.
- **Indemnity Paid to Date (in whole dollars)** is the total indemnity paid by the direct insurer, exclusive of applicable deductions and reserves. This includes, but is not limited to, additional living expenses (ALE), business interruption (BI), structure coverage, and contents coverage associated with the "Number of Claims Received" defined above. This may not exceed the policy limit for all coverages contained in the policy against which the claim was made. This does not include any claim expense or cost incurred by the direct insurer during the processing of the claim.
- **Number of Closed Non-Payment Claims** is "Number of Claims Received" that have been denied or where no payment is to be made to the policyholder. This also includes claims determined to be below the policy deductible. These claims are mutually exclusive from, and are not to be included in, the "Number of Closed Payment Made Claims" discussed below.
- **Number of Closed Payment Made Claims** is "Number of Claims Received" for which the claimant has received payment of the full, agreed upon settlement amount, and no additional payments are expected to be incurred by the insurer for this specific claim. These claims are mutually exclusive from, and are not to be included in, the "Number of Closed Non-Payment Claims" discussed above.
- **Number of Open Claims** is "Number of Claims Received" where settlement has not yet been reached, or, if settlement has been reached and payment is due, the claimant has not yet received payment of the full, agreed upon settlement amount.

Coverage types to be included are:

- **Homeowners Claims Received, by Florida County:** Coverage sold to homeowners, condominium unit-owners, and tenants occupying a described property that is used exclusively for residential purposes. Generally, these coverages are reported on line 4 - Homeowners Multi-Peril on the NAIC Annual Statement Exhibit of Premiums and Losses (State Page).
- **Dwelling Claims Received, by Florida County:** Coverage sold to property owners or tenants occupying a described property that is used exclusively for residential purposes. Generally, these coverages are reported on line 1 - Fire on the NAIC Annual Statement Exhibit of Premiums and Losses (State Page).
- **Mobile Homeowners Claims Received, by Florida County:** Coverage sold to mobile homeowners occupying a described property that is used exclusively for residential purposes. Generally, these coverages are reported on lines 1 - Fire or 4 - Homeowners Multi-Peril on the NAIC Annual Statement Exhibit of Premiums and Losses (State Page).
- **Commercial Residential Claims Received, by Florida County:** Commercial residential insurance purchased by commercial entities for apartment buildings, condominium associations and homeowners associations. Normally, these coverages are reported on lines 1 - Fire and 2 - Allied Lines on the NAIC Annual Statement Exhibit of Premiums and Losses (State Page).
- **Residential Private Flood Claims Received, by Florida County:** Flood insurance coverage underwritten by private insurers that is not associated with the Federal Flood Insurance Program. Generally, these coverages are reported on line 2.1 - Allied Lines on the NAIC Annual Statement Exhibit of Premiums and Losses (State Page).
- **Federal Flood Insurance Claims Received, by Florida County:** Coverages, subsidized and nonsubsidized, associated with the Federal Flood Insurance Program and reported on line 2.3 on the NAIC Annual Statement Exhibit of Premiums and Losses (State Page).

**This data call is authorized pursuant to sections 624.307, 624.424(1)(c), 624.424(10), 627.713 and 627.7019, Florida Statutes and Rule 690-142.015, F.A.C.*

Tropical Storm Fay Data Collection

These data are as of October 3, 2008 and were self-reported by submitting entities by October 10, 2008.
 These data have not been independently audited or validated.

Section A: Aggregate Financial Projections

Each individual carrier participating in this data collection provided information on a statewide basis.

As used in this section, "EVENT" means a storm system that has been declared by the National Hurricane Center of the National Weather Service. The duration of the "reporting event" includes the time period, in Florida:

- a. Beginning at the time a storm watch or storm warning is issued for any part of Florida by the National Hurricane Center of the National Weather Service;
- b. Continuing for the time period during which the storm conditions exist anywhere in Florida; and
- c. Ending 72 hours following the termination of the last storm watch warning issued for any part of Florida by the National Hurricane Center of the National Weather Service.

Dollar Amount of Estimated Gross Payable Loss from Event (Gross of Reinsurance) All lines of business are included. (in whole dollars)	\$242,670,643
Projected Net Retention Resulting from the Event All lines of business are included. (in whole dollars)	\$194,694,348
Dollar Amount of Estimated Gross Payable Loss from Event covered by Reinsurance or Other Loss-Transfer Agreements (in whole dollars)	\$47,976,295

In Section B, "Claims and Payment by County of Occurrence," the submitter was instructed to provide the following information for each county/area where claims were received for the reporting EVENT as described below:

As this template may be applied to Tropical Storm Fay reporting, "EVENT" means a storm system that has been declared by the National Hurricane Center of the National Weather Service. The duration "reporting event" includes the time period, in Florida:

- a. Beginning at the time a storm warning is issued for any part of Florida by the National Weather Service;
- b. Continuing for the time period during which the storm conditions exist anywhere in Florida; and
- c. Ending 72 hours following the termination of the last storm watch or storm warning issued for any part of Florida by the National Hurricane Center of the National Weather Service.

Number of Claims Received include only those Florida claims received on a direct basis AND only those claims associated with the Reporting Categories indicated to the right.	Homeowners Claims Received, by Florida County: Coverages sold to homeowners, condominium unit-owners, and tenants occupying a described property that is used exclusively for residential purposes. Generally reported on line 4 -Homeowners Multi-Peril on the NAIC Annual Statement Exhibit of Premiums and Losses (State Page).
	Dwelling Claims Received, by Florida County: Coverages sold to property owners or tenants occupying a described property that is used exclusively for residential purposes. Generally reported on line 1 - Fire on the NAIC Annual Statement Exhibit of Premiums and Losses (State Page).
	Mobile Homeowners Claims Received, by Florida County: Coverages sold to mobile homeowners occupying a described property that is used exclusively for residential purposes. Generally reported on lines 1 - Fire or 4 - Homeowners Multi- Peril on the NAIC Annual Statement Exhibit of Premiums and Losses (State Page).
	Commercial Residential Claims Received, by Florida County: Commercial residential insurance purchased by commercial entities for apartment buildings, condominium associations and homeowners associations. Normally reported on lines 1 - Fire and 2 - Allied Lines on the NAIC Annual Statement Exhibit of Premiums and Losses (State Page).
	Residential Private Flood Claims Received, by Florida County: Flood insurance coverage underwritten by private insurers that is not associated with the Federal Flood Insurance Program. Generally reported on line 2.1 - Allied Lines on the NAIC Annual Statement Exhibit of Premiums and Losses (State Page).
	Federal Flood Insurance Claims Received, by Florida County: Coverage's, subsidized and nonsubsidized, associated with the Federal Flood Insurance Program and reported on line 2.3 on the NAIC Annual Statement Exhibit of Premiums and Losses (State Page).
Indemnity Paid to Date (in whole dollars) is the total indemnity paid by the direct insurer, exclusive of applicable deductions and reserves. This includes, but is not limited to, additional living expenses (ALE), business interruption (BI), structure coverage, and contents coverage associated with the "Number of Claims Received" defined above. This may not exceed the policy limit for all coverages contained in the policy against which the claim was made. This does not include any claim expense or cost incurred by the direct insurer during the processing of the claim.	
Number of Closed Non-Payment Claims is "Number of Claims Received" that have been denied or where no payment is to be made to the policyholder. This also includes claims determined to be below the policy deductible. These claims are mutually exclusive from, and are not to be included in, the "Number of Closed Payment Made Claims" discussed below.	
Number of Closed Payment Made Claims is "Number of Claims Received" for which the claimant has received payment of the full, agreed upon settlement amount, and no additional payments are expected to be incurred by the insurer for this specific claim. These claims are mutually exclusive from, and are not to be included in, the "Number of Closed Non-Payment Claims" discussed above.	
Number of Open Claims is "Number of Claims Received" where settlement has not yet been reached, or, if settlement has been reached <i>and payment is due</i> , the claimant has not yet received payment of the full, agreed upon settlement amount.	

Multiple Florida Counties This category only may be utilized for claims associated with the Commercial and Commercial Federal Flood coverage's indicated to the right AND only after every effort has been made to assign each claim to the specific county in which the loss occurred. Additional detail may be requested for each claim reported in this category.	Commercial Residential Claims Received, by Florida County: Commercial residential insurance purchased by commercial entities for apartment buildings, condominium associations and homeowners associations. Normally reported on lines 1 - Fire and 2 - Allied Lines on the NAIC Annual Statement Exhibit of Premiums and Losses (State Page).
	Federal Flood Insurance Claims Received, by Florida County: Coverages, subsidized and non-subsidized, associated with the Federal Flood Insurance Program and reported on line 2.3 on the NAIC Annual Statement Exhibit of Premiums and Losses (State Page).

In Section B: Validation Checks	
SECTION C Row Validation 1:	"Number of Open Claims" "Number of Closed Non-Payment Claims" <u>+</u> "Number of Closed Payment Made Claims" "Number of Claims Received"
SECTION C Row Validation 2:	If the "Number of Claims Received" = 0, then "Claim Payments to Date" must also = 0.
