

# **Accident and Health**

## **Year-to-Date Rate Change Report**

As of December 31, 2023

Life and Health Product Review Analytics Unit  
Florida Office of Insurance Regulation

## Key Terms

**Product:** The specific type of Accident and Health policy under consideration.

**File Log Number:** The number automatically assigned to a filing by the Office of Insurance Regulation's (Office) internal tracking system. All closed filings are available to the public for review by using the Office's online Forms and Rates Filing Search utility.

**Closed:** The date the Office took final action on a filing; for purposes of this report this is the date the filing was approved.

**Reported Policies:** The number of policies affected by the combined rate impact (the anniversary allowed value).

**% Change Allowed:** The average change to the premium that will be implemented at a single point in time. The rate change experienced by any policyholder may differ from the average.

**Avg. Trend Allowed:** The growth rate required to cover medical provider price increases, utilization changes, and other items. This is the average change to the premium that will be implemented over a period of time (typically twelve months).

**Anniversary Allowed:** The combined effect of the base rate change, trend and previously approved changes that have not yet been fully implemented.

**Note all rate changes shown in the following report are for filings that are closed with a final disposition status of Approved.**
