For each of the following, the report must detail the insurer or other licensee or registrant against whom such action was taken; whether the office found any violation of law or rule by such party, and, if so, detail such violation; and the resolution of such action, including any penalties imposed by the office. The report must be published on the website of the office and submitted to the commission, the President of the Senate, the Speaker of the House of Representatives, and the legislative committees with jurisdiction over matters of insurance on or before January 31 of each year. The report must include, but need not be limited to:

- 1. The revocation, denial, or suspension of any license or registration issued by the office.*
- 2. All actions taken pursuant to s. 624.310.*
- 3. Fines imposed by the office for violations of this code.*
- 4. Consent orders entered into by the office.*

Each quarter, the office shall create a report detailing all actions of the office to enforce insurer compliance during the previous quarter. The report must be submitted to the commission, the President of the Senate, the Speaker of the House of Representatives, and the legislative committees with jurisdiction over matters of insurance. The report is due on or before April 30, July 31, October 31, and January 31, respectively, for the immediately preceding quarter. The report due January 31 may be included within the annual report required under paragraph (a).
