Appropriations Proviso for the Office, Fiscal Year 2019-20

From the funds provided in Specific Appropriations 2564, $236,793 in salary rate shall be held in reserve. The Office of Insurance Regulation is authorized to submit budget amendments requesting release of the salary rate pursuant to the provisions of chapter 216, Florida Statues. Request for release of salary rate is contingent upon the submission of a plan to address Compliance and Enforcement personnel retention. The plan shall identify available Salaries and Benefits budget authority to be used for the reserved salary rate. The Office shall submit the plan to the Executive Office of the Governor’s Office of Policy and Budget and the chairs of the Senate Appropriations Committee and the House of Representatives Appropriations Committee.

Line #2568 – Existing Proviso (Public Hurricane Model – Enhancements) $969,689
Funds in Specific Appropriation 2568 shall be transferred to Florida International University and utilized to promote and enhance collaborative research among state universities. The Florida Public Hurricane Loss Model located at Florida International University may consult with the private sector and the Florida Catastrophic Storm Risk Management Center located at The Florida State University to enhance the marketability, viability, and applications of the Florida Public Hurricane Loss Model. The Office of Insurance Regulation (Office) shall have the ability to accurately calculate hurricane risk and project catastrophic losses, and nothing shall interfere with or supersede the Office’s authority to enter into agreements with Florida International University.
