APPLICATION FOR ACCREDITED REINSURER STATUS

INSTRUCTIONS

SECTION I - APPLICATION FORM & FEES

Section I-1 Application Fees

The cost and expenses incurred by the Office of Insurance Regulation to review a reinsurer’s request for accreditation shall be charged for and collected from the requesting reinsurer. An invoice will be provided to the reinsurer after the application has been processed (see page 19). Costs are defined as the sum of the time spent by Office personnel calculated at payroll rates inclusive of personnel benefit expenses and overhead expenses for each Office employee, and other Department expenses related to processing the application; or, the actual charges incurred by a third party retained to review the application. Should it become necessary to hire an outside consultant in the process of the review, the reinsurer shall be contacted in advance to consent to this and agree to the cost. In the event that the Office and the reinsurer agree to utilize the services of an outside consultant to conduct the review, the following applies:

(a) The acceptability of a person or firm to the Office shall be determined based on consideration of the person or firm’s professional competence, objectivity, and cost.

(b) Consent of the reinsurer shall be demonstrated by written confirmation from an officer of that insurer which indicates agreement that an examination be performed by the person or firm, and acknowledgement that the person or firm is acceptable to the reinsurer and that the cost will be paid by the applicant.

(c) All payments for services under this provision shall be made directly to the person or firm in accordance with the rates and terms agreed to by the Department, the reinsurer, and the person or firm performing the examination.

Section I-2 Fingerprint Fees

Applicants are required to prepay electronically for the processing of the fingerprint cards required in Section IV-4. Please see Form OIR-C1-938 REV 5/2013 for instructions.

NOTE: Florida residents have the option of having their fingerprints digitally scanned rather than providing paper fingerprint cards. Please see Form OIR-C1-938 REV 5/2013 for instructions.
Section I-3 Application for Accredited Reinsurer Status

Submit the original Application To Conduct Business in the State of Florida for Accredited Reinsurer Status (see page 20), listing the lines of business (and respective code numbers) the company intends to reinsure in the state of Florida, signed (original signatures) by the president or chief executive officer and the secretary of the company under corporate seal. When an Accredited Reinsurer Status is granted by the Office of Insurance Regulation, it will include only those lines listed on this form. The company must be authorized in its state of domicile for the lines of business requested.
APPLICATION FOR ACCREDITED REINSURER STATUS

SECTION II - LEGAL

Section II-1 Service of Process Consent and Agreement

Provide an executed Uniform Consent to Service of Process Form (OIR-C1-1524, REV 4/9/13) under corporate seal and signed by the president or chief executive officer and secretary.

Section II-2 Certificate of Status

All foreign corporations, including insurance companies organized under the laws of another state or country, are required to secure a charter to do business through the office of the Secretary of State of Florida.

Complete and submit the Application by Foreign Corporation For Authorization To Transact Business in Florida to the Secretary of State’s office. The applicant must specifically request a certified copy of the Certificate of Status and include this original Certificate (not a copy) with the application as proof of filing with the Secretary of State as a foreign corporation. If you have any questions concerning this filing, please contact the Division of Corporations at (850) 245-6051.

Note: The Secretary of State will issue a charter to an insurance company before the Office of Insurance Regulation completes its processing of an application for accreditation. This charter authorizes the company to engage in any type of business except insurance. Your company may not conduct business in Florida until it has been approved as an accredited reinsurer by the Director of the Office of Insurance Regulation.

Section II-3 Certificate of Compliance

A certificate of compliance is a document issued by the public official having supervision of insurance in the applicant’s state of domicile which verifies the company is duly organized and authorized to transact insurance or reinsurance and lists the lines of business it is authorized to transact. The certificate must be an original, sealed by the insurer’s state of domicile and list the lines of business the company is authorized to write.

Section II-4 Attorney-in-Fact (Reciprocal Applicants Only)

Provide a copy of the applicant's power of attorney certified by the attorney-in-fact. The power of attorney submitted must comply with Sections 629.101 and 629.111, Florida Statutes.

Section II-5 Subscriber Agreement (Reciprocal Applicants Only)

Provide a copy of the subscriber agreement certified by the applicant’s attorney-in-fact.
APPLICATION FOR ACCREDITED REINSURER STATUS

Section II-6  Appointment and Authority-of-United States Manager (Alien Applicants Only)

Provide a copy of the appointment and authority of the applicant's United States Manager certified by its officer having custody of its records. The certification must be original and under the seal of the officer in the state of domicile having custody of the records.

Section II-7  Certificate of Assuming Insurer

The applicant must complete the attached Form AR-1, OIR-C1-1464, REV 5/05. By completion of the form, the applicant agrees, subject to the terms of the form, to submit to this state’s jurisdiction, submits to this state’s authority to examine its books and records, designates the Chief Financial Officer as its lawful attorney for service of process, and to provide and keep current a listing of insurers domiciled in this state reinsured by the applicant.
APPLICATION FOR ACCREDITED REINSURER STATUS

SECTION III - FINANCIAL

Section III-1  Holding Company Registration Statement

Provide a Holding Company Registration Statement certified by the state of domicile, if the insurer is a member of an insurance holding company system (OIR-DO-516, REV 4/97 is enclosed). The certification must be an original and under the seal of the insurer’s state of domicile. An insurance holding company system consists of two or more affiliated persons, one or more of which is an insurer. If the insurer is not a member of an insurance holding company system, a statement to such fact signed by at least two executive officers and under the insurer’s corporate seal.

Provide a copy of the SEC 10K report if the ultimate parent is required to file this report with the Federal Securities and Exchange Commission. The applicant should also provide a copy of any other audited consolidated financial statements in which it is included.

Section III-2  Annual Statement

Submit the most recent year end annual statement on the National Association of Insurance Commissioners’ (NAIC) format including a “Statement of Actuarial Opinion”. The statement must be sworn by at least two executive officers (original signatures) of the insurer or certified by the state of domicile. All schedules must be complete. Provide verification that the general interrogatories, notes to financial statements, and the organization charts are included as part of the annual statement.

Section III-3  Quarterly Statements

Provide all quarterly financial statements in NAIC format covering the current year-to-date period. These statements do not have to be certified by the state of domicile, but must be signed by the company’s officers and must be notarized (original signatures). Supplemental loss developmental schedules (also in NAIC format) must be included for each quarter.

Section III-4  Statutorily Mandated Examination Reports

Provide the most recent report of examination performed and certified by its state of domicile. If the most recent period covered by the examination is not within the three years, the Office of Insurance Regulation may accept an audited certified public accountant’s report prepared on a basis consistent with the insurance laws of the state of domicile. The certification must be an original, under the seal of the insurer’s state of domicile, and certify that the state of domicile has accepted the CPA report in lieu of a statutory examination. Reports on a consolidated basis do not meet this requirement. This must be a separate (stand alone) audited report on the applicant.

Section III-5  Statutory Financial Statements Audited by Certified Public Accountants

Applicant must provide a copy of the latest audited certified public accountant’s report on the insurer prepared on a basis consistent with the insurance laws of the insurer’s state of domicile.
APPLICATION FOR ACCREDITED REINSURER STATUS

Section III-6  Previous Florida Business History

Provide a brief history of the company since its incorporation. Include any changes of ownership or actions taken by governmental agencies that have or had jurisdiction over the insurer. Include any history that the applicant has had in withdrawing from Florida as a whole or in discontinuing a particular line of business in this state. The statement should include any parent companies or subsidiaries.

Section III-7  Certificate of Deposit (Foreign Applicants Only)

Provide an original Certificate of Deposit under the seal of the insurer’s state of domicile or state of entry into the United States. This is a document issued by the public official having supervision of insurance in the applicant’s state of domicile showing the amount and composition of the deposit maintained by the insurer in another state.
APPLICATION FOR ACCREDITED REINSURER STATUS

SECTION IV - MANAGEMENT

NAMES REQUESTED IN THIS SECTION SHOULD INCLUDE FIRST, MIDDLE AND LAST NAMES (NO ABBREVIATIONS).

Section IV-1 Management Information

Provide the full names and titles of all officers, directors of the applicant, and all shareholders (owning 10% or more of the outstanding stock of the company) with their respective titles and ownership information in this section.

As to the immediate parent and the ultimate parent of the applicant, if applicable, provide the full names and titles for the officers and directors who exercise control over the licensee and all shareholders owning or controlling 10% or more of the parent company’s stock.

Companies in the organizational structure from, and including, the immediate parent through the ultimate parent must provide the names and titles of all officers and directors.

Please use the attached Management Information form.

Section IV-2 Biographical Statements and Affidavits as to All Company Officers, Directors and Shareholders

Provide a National Association of Insurance Commissioners (NAIC) biographical affidavit (OIR-C1-1423) for each officer, director, and shareholder listed in Section IV-1 except for those companies in the organizational structure between the immediate parent and the ultimate parent. All questions must be answered. All “Yes” answers must be explained.

Each biographical affidavit must be submitted to the Office containing an original signature and original notary seal. If, however, the biographical affidavits are currently on file and are not more than two years old, no submission is necessary.

The requirement for the affiant’s social security number as part of the Biographical Affidavit is mandatory. However, pursuant to sections 119.071(5), Florida Statutes, social security numbers collected by an agency are confidential and exempt from section 119.07(1), Florida Statutes, and section 24(a), Art. I of the State Constitution and must be segregated on a separate page. Therefore, instead of including the SSN on page 7 of the NAIC form, please include the affiant’s name and social security number on a separate page and attach it to the Biographical Affidavit. Also please stamp CONFIDENTIAL at the top and bottom of the separate page.

Section 119.071(5), Florida Statutes, gives authority for an agency to collect social security numbers if imperative for the performance of that agency’s duties and responsibilities as prescribed by law. Limited collection of social security numbers is imperative for the Office. The duties of the Office in background investigation are extensive in order to insure that the owners, management, officers, and directors of any insurer are competent and trustworthy, possess financial standing and business experience, and have not been found guilty of, or not pleaded guilty or nolo contendere to, any felony or crime punishable by imprisonment of one year.
APPLICATION FOR ACCREDITED REINSURER STATUS

Section IV-3  Background Investigative Report

An Investigative Background Report must be provided for each person listed in Section IV-1 above except for those companies in the organizational structure between the immediate parent and the ultimate parent. Background reports must be submitted by the selected background investigator vendor prior to or contemporaneously with the application filing. Please refer to Form OIR-C1-905 REV 10/05 for instructions.

Section IV-4  Fingerprint cards

Fingerprint cards must be completed for each person listed in Section IV-1. The cards will be furnished by the Office upon request. No cards other than those furnished by the Office will be accepted. The cards must be completed at a law enforcement agency and returned to this Office for processing. Please refer to Form OIR-C1-938 REV 5/2013 for instructions.

Waiver of Fingerprint Requirements

In lieu of requiring new fingerprint checks, the Office will accept a certification from another state insurance company regulatory licensing body that fingerprint checks have been completed by that state and that no reason to disapprove or limit the involvement of the person investigated in the named company was found. The certification obtained must be an original document, prepared on a form or letter that reflects the official letterhead of the entity making the certification, specifically listing the name of the reinsurer and the full name of each person investigated, and contain a statement that no reason was found to disapprove, remove, or limit the involvement of the people named. The person completing the certification including their title and telephone number must sign the certification. The certification shall be mailed directly by the state certifying to:

Pursuant to sections 119.071(5), Florida Statutes, social security numbers collected by an agency are confidential and exempt from section 119.07, Florida Statutes, and section 24(a), Art. I of the State Constitution. The requirement must be relevant to the purpose for which collected and must be clearly documented. The social security numbers must be segregated on a separate page from the rest of the record.

Applicant’s Name: ___________________________________________________
Applicant’s Social Security Number: _________________________________

The requirement for the applicant’s social security is mandatory.

Section 119.071(5), Florida Statutes, gives authority for an agency to collect social security numbers if imperative for the performance of that agency’s duties and responsibilities as prescribed by law. Limited collection of social security numbers is imperative for the Office of Insurance Regulation. The duties of the Office of Insurance Regulation in background investigation are extensive in order to insure that the owners, management, officers, and directors of any insurer are competent and trustworthy, possess financial standing and business experience, and have not been found guilty of, or not pleaded guilty or nolo contendere to, any felony or crime punishable by imprisonment of one year. In establishing these qualifications and the Office of Insurance Regulation's responsibility to ensure that individuals meet these qualifications, the legislature recognized that owners, officers, and directors of an insurance company are in a position to cause great harm to public should they be untrustworthy or have a criminal background. These individuals control vast amount of funds that belong to policyholders. To meet the legislative intent that these people are qualified to be trusted, having the identifying social security number is essential for the Office of Insurance Regulation to adequately perform the background investigative duty. There are many individuals with the same name, without this identifying number it would be difficult if not impossible to be reasonably sure that the correct individuals are identified and verify they meet the statutorily required conditions.
