

Calendar Year Freedom to Travel Survey Questions

Instructions:

- i. Answer each question.

For nonzero responses to questions 3, 4, 5 and 6, provide an explanation for taking such action (for each specific case included in a given numeric response). Explanations must include a brief summary and any supporting data used in taking such action. This information can be uploaded with your submission using the 'Explanatory Information' component on your component list.

- ii. Your Company's submission must also contain a Notarized Affidavit, signed by a Company Officer, stating the information provided is true and correct. The Notarized Affidavit must be included in order to complete the submission process. An Affidavit is also required if the original filing is reopened to amend the data.

- iii. **All questions pertain only to Life Applications for Florida applicants/consumers during the Scope Period, unless otherwise stated.**
-

- 1) How many Life applications did your company process during the calendar year?
- 2) Does your company's Life application include a question(s) related to future foreign travel?
- 3) How many Life applications did your company refuse or deny coverage based on future foreign travel?
- 4) How many Life applications did your company refuse or deny due to a request for continuation of coverage based on future foreign travel?
- 5) How many Life applications were processed where the coverage was limited based on future foreign travel?
- 6) Regarding questions 3, 4 and 5 above, how many applications involved use of a variance? Provide specifics for each question by uploading a document to the Explanatory Information component of your filing.
