MEMORANDUM

DATE: January 31, 2022

TO: **Discount Plan Organizations** - Financial Statement Contact Person

FROM: Carolyn Morgan, Director
Life & Health Financial Oversight

SUBJECT: 2022 FILING REQUIREMENTS

This package is designed to assist Discount Plan Organizations in preparing their filings with the Florida Office of Insurance Regulation (Office). This information provides the filing requirements for companies holding a License.

All filings should be made electronically through the Regulatory Electronic Filing System (REFS) via the Industry Portal located at <https://portal.fldfs.com/iframe/default.asp>. As required in Section 636.218, F.S., annual reports are due within 3 months after the end of each fiscal year-end.

There are two major components to be attached in REFS for your annual filings, the Annual Report form OIR-A1-1671 and the audited financial statements prepared in accordance with generally accepted accounting principles. The annual report form is available on the Office's website, www.floir.com. Select the "Company Filing" tab at the top then the "Required Filing and Reporting" link, click on "Life and Health Financial Oversight", and then under the heading of Managed Care, choose "DPO Filing Requirements". Please be advised that these instructions are provided for the purpose of reference only and are not intended to alter, amend, or replace statutory requirements.

We hope that this assists in your management of the filings.

 - > The REFS filings must be received by the Office no later than 5:00 PM on the applicable due date.
2. **If a filing requirement deadline falls on a weekend or holiday when is the filing due?**
 - > The deadline would be moved to the first business day following the original deadline.
