I. Call to Order

II. Roll Call

Amy Hardee conducted a roll call, noting that all Committee members were present.

III. Antitrust Statement

Shannon Doheny was recognized and reviewed the antitrust statement.

IV. Chair's Opening Remarks

The Chair thanked the members for their attendance and noted that the business before the Committee today is to determine the next steps in selecting an Executive Director for the Florida Health Insurance Advisory Board.

V. Recommendation Discussion

The Chair noted that prior to today's meeting, the Selection Committee was provided with the Grading Matrix from last year when Michelle Robleto was hired. The Committee also received the resume and interview questions for the runner-up (Brian Leonard).

The Chair noted that following Michelle Robleto's resignation last December, the Committee has two choices as he sees it: (1) hire Brian Leonard if he's still available and interested or (2) go through a full selection process. He then asked Louisa McQueeney and Ken Stevenson for their thoughts. Ken Stevenson, who was not on the Committee last year, noted that Michelle Robleto had a unique skill set for this position and Brian Leonard did not seem to have this same skill set. Louisa McQueeney and Ken Stevenson both stated that they did not see any other options and they recommended going through a full selection process.

The Chair asked Louisa McQueeney and Ken Stevenson if they had reviewed the Executive Director Duties and if they needed any changes. No changes noted.

Louisa McQueeney asked why there was a delay in starting the selection process and the Chair responded that it had been a busy year, including the pandemic.

The Chair then moved to re-open the full selection process, with a second by Ken Stevenson, and the motion was adopted without objection.

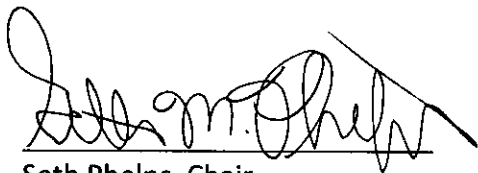

The Chair asked Amy Hardee to assist the Committee with the selection process and she agreed to do so once the Board approves the motion during their next meeting, which is scheduled for Wednesday, October 14.

VI. Closing Remarks

The Chair thanked everyone for their participation and input into this discussion.

VII. Adjourn

Having no further business, the meeting was adjourned at 12:47 pm.
