

## Virtual Rate Hearing Instructions

### National Specialty Insurance Company Virtual Public Rate Hearing Thursday, March 25, 2021 10:00 AM, ET

The Florida Office of Insurance Regulation (OIR) is conducting a virtual rate hearing to receive testimony from National Specialty Insurance Company and public comments regarding their proposed rate changes to its homeowners' multi-peril line of business.

To accommodate social distancing guidelines and safety protocols, the rate hearing will be held virtually. This rate hearing will be recorded and posted to the OIR website.

Company Name	Filing Log #	Overall Proposed Rate Change
National Specialty Insurance Company	21-000986	24.9%

#### Participation

Participants can register in advance to view the hearing and/or provide public comment. Upon registration, participants will receive a confirmation email containing a link to access the hearings.

Register for the hearing here: <https://attendee.gotowebinar.com/register/9208987539259510286>

Participants may also access the rate hearing in listen-only mode by phone at 1 (866) 901 6455; Access Code 118-572-617.

#### Public Comments/Testimony

Participants will be given an opportunity to speak during the public comment portion of the hearing. Participants who wish to speak will need to register in advance for the hearing. Participants who call in will be in listen-only mode.

The record will be open for public comment until 5:00 p.m. ET on April 8, 2021. Please send public comments to the OIR at [ratehearings@floir.com](mailto:ratehearings@floir.com) with "National Specialty Insurance Company" in the subject line of the email.

Under Florida law, written communications to the OIR are public record and subject to disclosure, including being available to the public and media. To learn more, visit the OIR's [Internet Privacy Policy](#).
